

Dear Colleague:

The Pennsylvania Suicide Prevention Coalition invites you to join our efforts to prevent suicide by becoming a member of the coalition. Suicide prevention work groups have developed statewide suicide prevention plans, planned conferences, and held events over the past years. It is now time to develop the Pennsylvania Suicide Prevention Coalition to move prevention efforts forward. It is the goal of the Pennsylvania Suicide Prevention Coalition Steering Committee to develop a statewide coalition with strong regional presence. Ultimately, regional representatives will be elected from the membership to lead regional efforts. But, this must all start with a strong membership base. The combined efforts of many individuals can make a difference.

Please increase the impact of the coalition today by becoming a member. Complete the following membership application and return it to Heidi Bryan at [pasp@feelingblue.org](mailto:pasp@feelingblue.org) or mail it to the PA Adult/Older Adult Suicide Prevention Coalition, PO Box 7193, Radnor, PA 19087 or fax it to 610-687-2990.
